

MIDWIVES  
EMBRACING DIVERSITY

# CALL FOR ABSTRACTS

NORDIC MIDWIFERY CONGRESS · MAY 26<sup>TH</sup>-28<sup>TH</sup> 2025 · COPENHAGEN

Under the theme '**Midwives Embracing Diversity**,' we celebrate the unique maternity care model of the Nordic countries and the strong identity of midwives.

The Danish Association of Midwives invite you to submit scientific abstracts that explore and expand on the congress theme. Submissions from professions other than midwifery but working within this area are also welcome. We also encourage the submission of workshops to be organized by the participants.

**Abstract submission deadline:**  
October 15, 2024

## REGISTRATION

The congress of the Nordic Confederation of Midwives aims to bring together researchers, practising midwives, students, and stakeholders to connect, share their research, engage in discussions, and develop new collaborations.

**Registration opens:**  
November 15, 2024

For further information,  
visit our website:
